## STEERING COMMITTEE AT WORK

During the past few months a group of alumni volunteers has spent several evenings hard at work. This group, called a Steering Committee, has been concerned with creating an Alumni Association per se. That is, its members were interested in organizing the alumni body, in establishing goals and objectives of an association, and in writing a constitution.

Thus far, goals have been discussed and a constitution has been written. The document will soon be presented to the Wright State Board of Trustees for approval and recognition. Once that approval is given, the Alumni Association will have been officially created. The Steering Committee next plans to conduct an election of officers and directors of the Alumni Association. Further information, nomination forms, and ballots will be sent to all alumni by mail. In order to insure

your participation in the upcoming elections, make sure the Alumni Office has your most current address.

The members of the Steering Committee are as follows:

Peter Antonoplos '70

Vice-Chairman (233-0608)

Richard Barkalow '68 (294-0248)

Bill Davell '69 (254-0707)

Dave Dyer '69 (878-4771)

Doug Fink '68,

Chairman (848-4314)

Jan Gabbert '70

Vice-Chairman (236-1290)

Brian Garry '69

Bob Scheller '70

Darrell Vickers '70 (890-9429)

Also present at the meetings and assisting in an advisory capacity were Neil Paulson, Alumni Director, and O. Edward Pollock, Vice-President and Director of Student Services.

## Alumni Decals Ordered

Wright State University alumni decals for application on car windows, mirrors, etc. have been designed and recently ordered. The decals will be sent to all alumni, hopefully, sometime in February. The decals are green and gold with the words "Wright State University Alumni, Dayton, Ohio" surrounding the university seal.

## WSU Wins First Tourney

Coach John Ross and the Wright State Raiders went into the McKendree Invitational Tournament with a 1-6 record. The four-team tournament was held just outside St. Louis, Mo. The Raiders took on Harris College in the opening game and won easily 83-63. High WSU scorer was freshman Dave Magill with 30 points. The next night Wright State clashed with Scott AFB, a squad that had upset host team McKendree 76-74 the day before. The Raiders came out on top 136-63, with Magill netting 33 points. This was the first championship the Raiders have ever won.

The team continued its winning habit by knocking off Cumberland and Rose Poly in following games. However, the Raiders had their 5-game streak snapped on January 2 as they fell to the Otterbein Cardinals 105-79. As of January 12, WSU was 5-7.

## Raiders 9th in Ohio

On October 16, 1970 Wright State defeated the University of Dayton in a sporting event for the first time as the soccer team won 4-3 over the Flyers. The Raiders also knocked off Miami University, University of Toledo, and Cedarville College with impressive victories. Wright State also managed to beat Wilmington College by the score of 4-1. It marked the first time that Wilmington had been beaten at home in 3 years. The WSU Raiders concluded the season on November 7 with a loss to Ohio Wesleyan—only the second loss of the year. For such a fine showing, Wright State (8-2) was ranked 9th in Ohio.

Next season looks promising for Coach Bela Wollner as Omur Aygun, the team's leading scorer and an All-Ohio player, will return. Also, Parvis Khobreh and Mike Rado, two outstanding players, will be back next year.
